Lefty Anderson has indicated that he would like a response to the letters attached, just for the record.

It will probably also close the paper loop in ER, which transferred the action to us.

As you know, I have met with Haynes (OMB/NFIP study) and [] and [] (IC Staff). [] is doing the contracting study, and will spend the majority of his time at the Pentagon or NSA.

If you approve, I'll do this letter in final and forward to [] for signature.
